Allowable Subject Matter

Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claim 1, more particularly define the structure of an information recording/reading head which consists of a support portion which is placed above the recording surface of the medium wherein its position relative to the surface can be changed by a position control device in a predetermined direction, a probe supported by the support portion, a guard supported by the support portion and placed in the vicinity of the probe. The position of the guard relative to the recording surface is at a predetermined distance and the guard is placed on a forward side of the probe wherein the relative position of the support portion is changed in the predetermined direction. These particulars, combined with remaining claim elements are not suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ALI NEYZARI whose telephone number is 571-272-7622. The examiner can normally be reached on Mon-Thurs from 8:00 AM TO 6:30 PM.
